## Who are WUN?

Founded in 2000, WUN brings together 24 leading comprehensive research universities in a collaborative partnership to advance research and education on major global challenges.

Capitalizing on the geographical and cultural diversity of members across six continents, WUN enriches their shared experience, and brings together distinctive constellations of talent to address problems of real significance.

## Our mission

The purpose of WUN is to strengthen member universities, and their impact and prominence, by:

- Fostering distinctive international research collaborations directed at problems of global significance.
- Nurturing research talent, particularly of early career researchers.
- Informing institutional policy and practice through analysis and information exchange.
